WE ARE

EDBAK is a Polish, family-owned company – manufacturer of mounting systems. The company was founded in 1992 and has been the expert in metal manufacturing ever since. Also, EDBAK has been a leading European manufacturer of AV solutions ranging from display mounts, wall brackets, conference trolleys, stands, desktop monitor mounts, dedicated systems for LED, video wall mounts, and info kiosks. All items are made in Poland.

The company is distinguished for focusing not only on selling standard, ready-made solutions but also on providing products that meet the requirements of the end customer through the investments of business Partners and integrators. EDBAK does its best to deliver added value, making sure all products are safe, durable, quick to install and ergonomic. By choosing EDBAK you can be sure to receive superb pro AV mounting solutions.

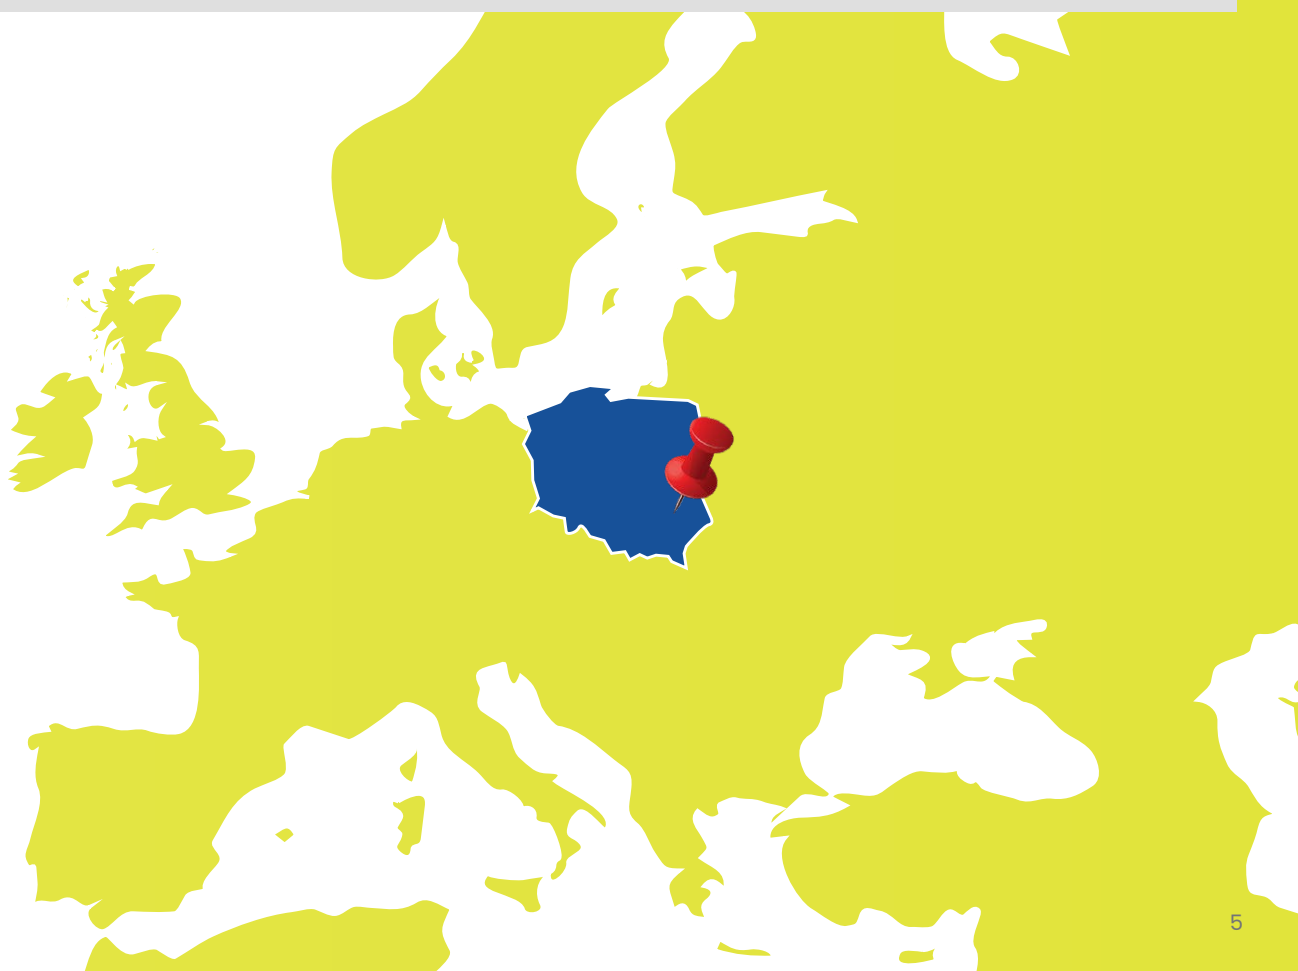

You have our support from the start. For 31 years.

MADE IN POLAND

We design and make all of our products here in Europe ensuring that both quality and design reflect our common heritage and culture. Our EDBAK Research and Development office can provide more appropriate and more timely response to your needs for customization as well as for products. And the shipping is easier, faster and safer when you know it is coming from central Europe.

POS SIBILITIES

STEP-BY-STEP GUIDE
TO

MAKE THE BEST CONFIGURATION POSSIBLE

1. PICK DESIRED MOUNTING

You can fix the base with 4 screws, **directly** to the surface or You can apply the **mounting base clamp**.

In either case You can be sure to get a **solid construction**.

2. CHOOSE THE BASE

Depending on the number of items You need to fix, choose the **right height of the base**, 200 mm, 350 mm, 400 mm, 500 mm.

Ø is always 45 mm

SIBILITIES

POS

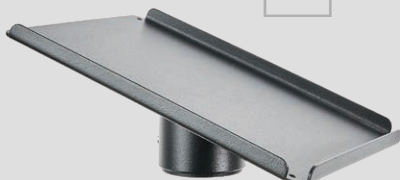

3. DECIDE ON THE SCREEN SWING

There are **two arms** to choose from when it comes to fitting the screen. Both arms feature **the tilt** and support vesa 75x75, 100x100.

4. PICK ACCESSORIES TO REQUIRED DEVICES

POS is about **customising**. The accessories help You to make a **wish-configuration**. From simple to a complex one.

PBP45 Ø45

POLE BASES

Featuring four heights, they offer the possibility to adapt to various needs and a number of devices to be installed. Equipped with a cable organisation system and two countertop mounting options. Will they meet all your requirements?

PBP45500+PM100+PSA250+PPS100

FIX IT AS DESIRED / FLEXIBILITY IN FIXATION

ACCESSORIES
