TRV100

Videoconferencing Trolley
Premium Series

The TRV100 is a practical solution that ensures comfort during video conferences, presentations, and speeches. Ideal for conference rooms, offices, and educational spaces, it combines mobility, an ergonomic design, and a stable aluminum structure. The system secures the monitor, offers intuitive height adjustment, and provides shelves for AV accessories. Integrated cable management keeps the setup neat and professional.

FEATURES:

- Modern design with high-end finish
- Stable and durable aluminum structure
- Horizontal or vertical screen installation
- Seamless adjustment of screen height
- Shelves can be fitted directly to the supporting column
- Simple and fast installation
- Non-marking braked castors
- Integrated cable management system for smart installation
