

VCTX190

FOR 65"-98" SCREEN

VCTX190 is an excellent choice of a conference trolley for mounting a 65"-98" screen for users looking for a practical solution that meets the highest expectations. It has been designed to provide comfort during a conference, speech, or public presentation. VCTX190 is perfect for all professional applications in conference rooms, educational facilities or at trade fair stands. Equipping the trolley with a system that protects the monitor against falling and braked castors guarantees safe use. The built-in storage compartment for AV accessories and shelves for a camera or a decoder ensure comfort of work for the most demanding customers. In addition, the integrated cable management system provides smart installation and makes the finished VCTX190 solution look very aesthetic.
