

PM3

Universal Projector Ceiling
Mount 3 fixing points

This solidly made universal projector ceiling mount PM3c-B is the basis of any properly made audiovisual installation. The handle is characterized by a load capacity adapted to the weight of the device and protection against accidental falling out of the projector. The mount is characterized by a step adjustment of the distance from the ceiling and mounting the projector with 3 mounting holes.

FEATURES:

- Universal for all key projectors with multiple fixing points
- Telescopic mount - height adjustment
- Professional micro adjustment ensures precise installation
- 360° full Horizontal adjustment
